

IDC352 : Seminar Attendance Report

Date of the Seminar Session: March 13 2021

1. Name of the speaker: Abhishek Roy Time: 9:40 - 10:05

Title of the Talk: Amine catalysed Suzuki-Miyaura type coupling of aryl halides and aryl boronic acids

2. Name of the speaker: Utkarsh Chauhan Time: 10:05 - 10:30

Title of the Talk: Graphene chiral liquid crystals and macroscopic assembled fibres

3. Name of the speaker: Ankita Meena Time: 10:30 - 10:45

Title of the Talk: Controlled incorporation of particles into the central portion of vesicle walls

4. Name of the speaker: Rupali Singh Time: 10:45 - 11:05

Title of the Talk: Quinone methide bioactivation pathway, contribution to toxicity

As a registrant for IDC352 course in Chemistry, I confirm that I have attended the talks as per the details listed above.

Name: Ojas Singh
